## MARKET GOSSIP

The market was dull today. It  
 was announced there would be a  
 three day holiday on the San Fran-  
 cisco and New York exchanges, be-  
 ginning Thursday. This had a ten-  
 dency to discourage trading on short  
 turns. New York came lower on  
 most stocks, but San Francisco open-  
 ed higher, especially on North Star,  
 Midway, Mizpah and Rescue. North  
 Star is looking better today than for  
 several days. The ore has widened  
 out to 5 feet of a very excellent  
 grade. We look for a sharp upturn  
 on North Star about the first of the  
 month, when the profits for the  
 month are published. It is believed  
 that the profits will show around  
 \$30,000 in which case it will put  
 Star among the best profit earners,  
 whose stock is selling well above a  
 dollar. At this rate Star will be  
 on a dividend paying basis by Christ-  
 mas and a Christmas present will  
 undoubtedly be distributed. The up-  
 turn in Midway, which we have been  
 predicting started a little sooner  
 than we expected. Buy Midway now  
 for good profits along in July and  
 August. Mizpah Ex. has some good  
 ore irrespective of the dubious ex-  
 pressions of the street. Midway and  
 Mizpah Ex. will doubtless furnish  
 the sensations of the coming two  
 months. They are good actors when  
 once started. Merger Mines and At-  
 lanta among the Goldfields, improved  
 today. The big station on the 1725  
 foot level in the Merger shaft is  
 about completed and cross cutting  
 will begin from this point to the At-  
 lanta. This will be the signal for  
 both stocks to move, as the Merger  
 people, with their shaft clear can  
 go back up to the 1350 cross cut and  
 begin prospecting. We are in posi-  
 tion to carry margin accounts to any  
 extent upon the most liberal terms  
 consistent with safety. We will ac-  
 cept standard listed stocks for mar-  
 gins in lieu of cash and will buy ad-  
 ditional stock to the amount of the  
 market value of the security of-  
 fered.

## AMUSEMENTS

Butler Theater.

At the Butler theater this evening  
 one of the most interesting programs  
 of the season will be shown. Miss  
 Graham will be heard in new songs,  
 "Annie Laurie" and "Mother Mc-  
 Clure." The pictures are as follows:  
 Pathe Weekly of current events,  
 with "Mutt and Jeff," "The Way-  
 ward Son," a Kalem drama; "The  
 Stronger Sex," a Vitagraph drama,  
 and an Edison, featuring Mary Fuller  
 and written by her, entitled "When  
 the Right Man Comes Along." Scorn-  
 ing all things feminine, an extremely  
 young woman plunges into business,  
 develops a near-male style of clothes  
 and becomes as mannish as possible.  
 She laughs at matrimony until "he"  
 arrives and then her mannish ways  
 are thrust aside in her efforts to  
 charm him. Tomorrow, "The Dis-  
 trict Attorney," a Lubin two reel  
 with Arthur Johnson as the star.

BEFORE you buy a big game rifle, by all means  
 ask your dealer to show you the Remington  
 Autoloading Rifles.

They are five-shot repeaters—operated by the  
 recoil. Always a shot ready for the emergency, for  
 the cripple, for the deer that is getting away, or the  
 charging beast that promises to be troublesome if  
 you don't get him quick.

The Remington Autoloading Rifles and Shot-  
 guns are the latest achievement in ninety-six  
 years of producing fine firearms.
